

**Faculty mentor:** Catherine Heaney

**Research supervisor(s) (name, position, email):** Sandra Winter, Director of Wellness Living Laboratory [sjwinter@stanford.edu](mailto:sjwinter@stanford.edu)

**Project topic(s):** Cross-Cultural Understanding of Well-being

**Brief description of scientific issues:** What does it mean to "be well"? How do we know? Are there differing experiences of well-being? If so, are these differences based in culture, class, and/or gender?

**Skills required:**

- Ability to work well with a team
- Ability to interact with participants in their communities.

**Skills to be learned:**

- Recruitment of participants
- Analysis of both qualitative interview data and quantitative survey data

**Contact person (with email):** Sandra Winter, [sjwinter@stanford.edu](mailto:sjwinter@stanford.edu)
